LEGAL EXPENSES

INSURANCE

For Race Van and Commercial Vehicle Policies

Introduction

COMPLIMENTARY LEGAL EXPENSES POLICY

This legal expenses policy has been included by BeMoto as an additional benefit of your underlying vehicle insurance policy for no additional premium (it cannot be cancelled without cancelling your underlying vehicle insurance policy).

WHAT DOES THIS POLICY DO?

If you have had an accident that wasn't your fault, the insurer can instruct a lawyer to act on your behalf and attempt to claim compensation for your uninsured losses, including any personal injury. Subject to the terms & conditions, this policy provides cover for your legal expenses incurred in pursuing your claim.

WHAT ARE UNINSURED LOSSES?

These are losses which you, a named driver or your passengers incur as a result of an accident which was not their fault that are not covered under any insurance policy. Losses can include your underlying vehicle insurance policy excess, loss of earnings, compensation for any injuries or replacement vehicle hire charges.

Other losses could include your vehicle repair costs, medical fees and compensation for the loss of use of your vehicle, damage to personal possessions, vehicle recovery, storage charges and other expenses incurred.

HOW DO I MAKE A CLAIM?

You must notify us within 180 days of any circumstances which may give rise to a claim under this policy or within 10 days of receiving a written notice of intended prosecution for a motoring offence, otherwise the insurer may decline to pay your claim.

All potential claims must initially be reported to the insurer's claims line (open 24-hours): **01480 277575**

Alternatively, if you just need legal advice on a motoring issue, you can call the 24-hour Legal Helpline: **01733 907008**

WHAT HAPPENS IF I MAKE A CLAIM?

If the insurer considers that it's a valid claim and there are reasonable prospects of success they will take over the claim on your behalf and appoint a legal professional to act on your behalf.

You may nominate your own legal representative, however the insurer must agree this in advance and you will be responsible for any legal expenses over and above those which their own specialists would normally have charged.

IF I MAKE A CLAIM WILL IT COST ME ANYTHING?

You get to keep all of any damages you are awarded; unlike some other policies in the market, there are no up-front fees for pursuing a valid claim and neither do you have to sign-away a percentage of any damages you might be awarded. However, if you are awarded any costs, these must be paid to the insurer who will have covered the costs of pursuing your claim.

It is important that you follow the terms and conditions of this policy. There are circumstances where your actions could lead to you becoming liable for some or all of your own costs, or having to repay the insurer, for example if you engage a legal representative before talking to the insurer and getting their agreement, appoint your own solicitor or if you decide part way through a claim that you no longer wish to continue.
